### Director's report

The director takes pleasure in submitting herewith the report and audited financial statements of Rothschilds Continuation Finance B.V. ("the Company") for the period ended 30 September 2014. The financial statements have been prepared in accordance with generally accepted accounting standards in the Netherlands and applicable Dutch Law.

### Overview of activities

The Company's purpose is to act as finance company for the Rothschild Group. It has issued a number of years ago two tranches of Floating Rate Notes. The outstanding amounts currently are USD 45,000,000 and USD 200,000,000. The proceeds of these notes issue have been lent to companies in the Rothschild Group. The Company has not developed any additional finance activities during the first half the current financial year.

The USD 45,000,000 floating rate notes are scheduled to be repaid in January 2015. Funds to repay these notes will be generated by reducing loans to group companies.

### Result for the period

The result of the Company during the first 6 months of the current financial year under review developed in accordance with expectations.

### Financial instruments

The Company's loan assets and loan liabilities are denominated in the same currency. The interest rates are related meaning that a fixed positive margin applies. Interest payment dates are the same for both asset and liability loans. Therefore the need for financial instruments to cover currency or interest rate exposures does not exist. Hence the Company is not engaged in any financial instruments covering such risks.

### Risk management

All funds raised have been lent to group companies in the same currency and on the basis of a fixed interest margin. The Company's obligations under the Floating Rate Note programme are guaranteed on a subordinated basis by Rothschilds Continuation Limited.

### Audit committee

The audit committee function for the Company has been assumed by the audit committee of Paris Orleans S.C.A., a French company listed on the Paris stock exchange. The Company is an entity controlled by Paris Orleans S.C.A. The Paris Orleans S.C.A. audit committee meets four times a year. It considers the Company's accounts on one of those four occasions. Members of the Paris Orleans S.C.A. audit committee are:

- Mr Peter Smith, Chairman
- Mr Andre Levy-Lang
- Mr Sylvain Hefes
- Mrs Carole Piwnica

### Audit policy

Unless required semi annual financial statements are not subject to an (interim) audit.
